How To Teach

	Overview Mason emphasized that being physically fit is just as important as being mentally and spiritually fit. She used a combination of Swedish Drill (calisthenic exercises done to music or military-style commands), playground games, sports, dance, free play, and afternoon walks to make sure students had time for vigorous exercise every single day.
	Introduce Teach students the new song, dance, or sport. Tutorials are often provided.
	Practice Play your new game, practice your new dance, sing your new rhyme, etc.!
