

Poetry Reading

About the Course

Students continue to develop their relationship with words through ongoing exposure to a variety of poetic forms, poet biographies, and 19th century poems.

This topic is included in the following course(s): Poetry: Grade 8

Placement & Combining Tips

Students in Grades 5-8 can easily be combined for these lessons as all grades use nearly the same texts this year, although Grades 7-8 read additional selections and have corresponding composition assignments. Poetry lessons are also an integral part of the whole Literature program, so look at both literature and poetry selections together when placing students. Students in Grades 9+ new to poetry should begin here.

Poetry Reading: Grade 8

How To Teach

Introduce

Tell something about the poet or the kind of poem or fable to prepare students. Remember that poems are like paintings—they not only convey ideas, they create an experience with the sound of words, the way the words are arranged, and the emotions, thoughts, and images they evoke.

Read

Read the poem aloud in order to hear the sounds and meter. Have students read it aloud as well as it is helpful to hear poetry read by different voices. Try to read paying attention to the punctuation as well as the line breaks to get the sense of the poem.

Discuss

Allow students to share any thoughts or connections. What are your impressions of the poem? Talk about anything that stood out to you: the images, ideas, words, phrases, sounds, or even physical look of the poem. What kinds of things is the poem about?

Reread

Read (or have the student read) the poem again.

Connect

Students may choose to add poems to their Commonplace Book or mark them to copy later.
