Sewing: Level 1

- ☐ Read introduction: "An Introduction for Adults" Sewing School: 21 Sewing Projects Kids Will Love to Make, p.7-10
- ☐ Brainstorm with students a list of people, missions, or community service organizations to whom you can give away projects.
- ☐ Plan what projects to work on first and purchase supplies needed. Beginners should work through the first twelve lessons in Sewing School to put together their sewing kits and learn the basics. After that, students may choose projects that interest them. See book for details and materials.
- ☐ Organize supplies by project so they are easily accessible during lesson time and free time.
- ☐ Set goals for project completion dates in order to give as gifts.
- ☐ Preview and practice projects before trying to teach students.
