

Reading Level 2

About the Course

The goal of reading is comprehension - deriving meaning from printed text. The Alveary Level 2 Reading lessons build on the vocabulary, grammar, phonics, narration, dictation, and fluency of the Level 1 Reading lessons. The classic folk tales, fairy tales, Rosetti poems, and Mother Goose rhymes in the Free and Treadwell Reader for this course encourage development both of the child's imagination and the higher order thinking needed for comprehension. Lessons include work with counting and accenting syllables, decoding and spelling multi-syllable words, analyzing words with affixes, and the six syllable types. Students in this Level will typically read from the course Reader and other materials with increased fluency and expression. Spelling also improves with more knowledge of common letter patterns.

This topic is included in the following course(s): Language Study: Grade 2

Placement & Combining Tips

Students who can already read may use the stories for reading practice but focus mainly on the spelling and grammar elements, including copywork and dictation.

Prerequisite: Beginning Reading & Lang. Level 1 or appropriate skill proficiency.
