

Plays

About the Course

Students read Shakespeare's plays with additional optional readings and extra helpings from the time period.

This topic is included in the following course(s): Literature: Grade 11, Literature: Grade 12, Literature: Grade 9, Literature: Grade 10

Plays: Grades 9-12

William Shakespeare (1564-1616) is perhaps the greatest writer in the English language. Reading and speaking his beautiful words will delight students as they learn his timeless stories, meet a variety of characters, enrich their minds, and instruct their consciences. Students will begin by simply enjoying the plays and later by writing short compositions, comparisons, and commonplace entries. Shakespeare covers the wide panorama of human experience through his nearly 40 plays; the comedies, tragedies, and histories that students read will spark their imaginations with stories that transcend time and culture.

Placement & Combining Tips

This year, this course is the same as Shakespeare for Grades 5-8 with the only difference coming in Extra Helpings and additional options for further study.

Responsibility for previewing all links rests with the teacher. All links were checked at the time of publication; however, websites change frequently and may contain objectionable content. Please report broken links by contacting us through our website.

Plays: Grades 9-12

- ☐ You may want to read "Shakespeare and a Christian Worldview," which is Ch.9 in the book *Echoes of Eden – Reflections on Christianity, Literature, and the Arts* by Jerram Barrs. This is an excellent overview of why Shakespeare is important for everyone to know, including Christians.
- ☐ If your students are new to Shakespeare, read the tips for beginners (Found in Appendix link)
- ☐ You may want to read a retelling beforehand so you are familiar with the play. (Suggestions found in Extra Helpings)
- ☐ Read the discussion questions and skim the summaries of each scene each week before the reading to help guide emphasis and discussion with your students.
- ☐ Consider purchasing puppets to use while reading to keep track of all the characters.

NOTE on VERSIONS

Students should have an unabridged copy that is not in a modern language edition, such as the ones linked in the program. The language complexity gets easier to understand with practice. (Note: Shakespeare's work does often contain bawdy jokes or off-color content that will go over the heads of students if left in its original form; a modern language version will lay it all right out there in plain, modern English.) We like the Folger editions because they are inexpensive, the lines are numbered (making it easy to find your place), and they contain good notes. These are available on the Folger website as free PDFs as well, though the notes are omitted.

NOTE on CONTENT

Teachers are sometimes wary of reading Shakespeare with their students because the plays do contain material that they would deem inappropriate. The Alveary generally follows Mason's programs for younger students. That does not mean, however, that your student will never encounter anything unsavory. Our best advice is to read in such a way that these things are moved over quickly, without added attention being drawn to them. Mason assures us that Shakespeare provides students with rich language and character lessons that are unparalleled.

Plays: Grades 9-12

How To Approach

Read

The lesson plans will guide you through what to read over the terms. Take a moment before reading to remember where you left off last time.

Narrate

The lesson plans will give you specific instructions or tell you to choose a way to narrate that helps you interact with the ideas.

Discuss

The lesson plans will guide you with questions or instructions to share your ideas or what you are reading with others.

Teacher Note

These lessons are written directly to students, but to assist them throughout the year, please read through this section and the lesson plans so you are familiar with the instructions and flow of the lessons. Accountability components are occasionally added to facilitate teacher/student discussion and growing independence.

It is also valuable for those in a classroom setting to have a mix of lessons that students complete themselves silently and others read aloud and narrate together. Literature lessons lend themselves well to a larger discussion time at the end of the lesson where student can share their ideas.

Term 1

WEEK 1 30m Plays: Grades 9-12 - Lesson 1

Materials: The Tempest

PREP: Read an overview of the play (one synopsis is located at the beginning of the Folger edition of the play). If you are not familiar with the play, you will want to read other retellings. We highly suggest *Stories from Shakespeare* by Marchette Chute. Resources are listed on the Extra Helpings Page. Also, be sure to read the note about mature content and language in Shakespeare in the Planning and Prep section.

→ INTRO

• What makes a tragedy a tragedy or a comedy a comedy?

• Our play this term is sometimes called a tragicomedy because it has both comedic and tragic elements. Overall, the play has a happy ending, which places it in the comedic category. The name of the play 'Tempest' means "a violent storm," and it will give us lots of things to ponder about power, betrayal, magic, slavery, and the restoration of relationships.

• Take time to review the elements of tragedy and comedy before beginning.

∞ Link: Genres of Shakespeare

→ READ, NARRATE, & DISCUSS

Act 1: Scene 1-2 p.7-25 "Boatswain!" - "Approach, my Ariel. Come."

• How does each character respond to the storm? What is the tone of this scene?

• Re-read lines 84-95. Discuss the context this gives for the story.

• Put the following quote from Miranda into your own words. What does it tell us about what Miranda is like?

"A brave vessel,
Who had, no doubt, some noble creature in her,
Dashed all to pieces. O, the cry did knock
Against my very heart! Poor souls, they perished.
Had I been any god of power, I would
Have sunk the sea within the earth or ere
It should the good ship so have swallowed, and
The fraughting souls within her."

★ TEACHER TIP

Take turns reading the play aloud if using these lessons in a group. We recommend reading the summaries of each scene to briefly preview content and help orient students.

WEEK 2 30m Plays: Grades 9-12 - Lesson 2

Materials: The Tempest

→ RECAP

How did Prospero and Miranda come to be on the island?

→ INTRO

The Tempest explores the theme of power, and we see this in Prospero's relationships. Watch a portion of Act 1, Scene 2, to learn more about Prospero's relationship to Ariel.

∞ Video Link: Act 1, Scene 2

→ READ, NARRATE, & DISCUSS

Act 1 Scene 2 p.25-39 "All hail, great master!" - "So, slave, hence."

• How would you describe Prospero's relationship with Caliban and Ariel?

• Put this quote by Caliban into your own words: "This island's mine by Sycorax, my mother, Which thou tak'st from me."

Plays: Grades 9-12

[Click THIS text or scan the QR code for links.](#)

Term 1

WEEK 3 30m Plays: Grades 9-12 - Lesson 3

Materials: The Tempest

→ RECAP

Think back on what you learned about Ariel and Caliban through Prospero's conversations with and about them. What is your opinion of Prospero at this point?

→ READ, NARRATE, & DISCUSS

Act 1 Scene 2 p.41-49 "Come unto these" - "Speak not for him."

- What does Ferdinand think of Miranda? How do you think this relationship will develop or change?

→ ACTIVITY

With the remaining time, let's dig into Caliban's speech from earlier in this scene to work to stretch our imaginations and seek to understand his world from his perspective as well as Prospero's.

∞ Link: Caliban Visual

★ TEACHER NOTE

The activity at the end of the lesson requires you to be present. Also, there are more layers to the activity than will likely fit in the remaining time after the reading is done. The point is to practice seeing the play from a different perspective, so feel free to stop at the end of the lesson time and move on or continue the activity if desired and time allows.
