Modern Language

Lower French: Grades 1-6

GRADE(S): 1-6

About the Course

Alveary Modern Language Lessons are designed to mirror the way children acquire their first language, using methods like gestures, picture recognition, songs, repeated phrases, and storytelling to create meaningful connections and context. These foundational approaches are seamlessly adapted to teach school-age children a second language.

The lessons are designed to be open-and-go with optional video/audio file support. They do not require any background in the target language for the parent/teacher or students. They only take about 15-20 min a day and can be easily adjusted to meet a variety of grade ranges from 1st to 6th grades.

Placement & Combining Tips

Three lessons each week are shared between Grades 1-6, but students in Grades 4-6 add two additional grammar lessons. This course is on a six-year rotation of lessons, so it is suitable for students who took Lower French last year or students just starting their studies.

How To Teach

Introduction to Songs, Rhymes, & Conversations

Students will complete one Songs, Rhymes, & Conversations lesson per week. In these lessons, students are exposed to cultural songs and rhymes and also given the opportunity to practice singing or saying the language out loud in a fun and engaging way. Students may sometimes feel self-conscious or silly when trying to speak a new language. Singing songs or chanting rhymes can help students overcome these insecurities. Each lesson will include an audio or video file to follow as students learn the song or rhyme. In these lessons, students will also be introduced to simple conversational phrases they can use in the target language.

Flow of a Lesson

Below is what you can expect for the general flow of a lesson:
- Read/watch any preparatory material and look over any related student notebook pages.
- Choose a few lines from the song or rhyme being studied, or a conversation phrase or two to review at the beginning of each lesson.
- Open to the current song/rhyme.
- Play the video/audio link provided in the QR link page.
- Practice reciting/singing the passage.
- Introduce the new conversation phrases, following along with any provided audio/video materials and pausing as needed.
- Practice conversation sentences with students or have them practice amongst themselves (or with puppets, props or stuffed animals).

Student Notebook

All of the songs, rhymes and conversation sentences or phrases have been provided in the Student Notebook for student and teacher reference.
