## How To Teach

### Overview

Mason emphasized that being physically fit is just as important as being mentally and spiritually fit. She used a combination of Swedish Drill (calisthenic exercises done to music or military-style commands), playground games, sports, dance, free play, and afternoon walks to make sure students had time for vigorous exercise every single day.

### Introduce

Teach students the new song, dance, or sport. Tutorials are often provided.

### Practice

Play your new game, practice your new dance, sing your new rhyme, etc.!
