Spiritual Formation: Grade 12

How To Approach

Recap

Take a moment to recall what you read previously in the same book or topic.

Read

Read the passage assigned or read for the number of minutes allocated. If a book is challenging for you, try stopping to narrate to yourself silently now and then to make sure you are tracking. Or you could listen to an audiobook version of the text and read along. You may also want to read aloud to yourself. If a book is an easy read, enjoy the ride! Keep an eye out for quotes to put in your Commonplace Book or events or characters to put down in your Book of Centuries.

Narrate

Process and integrate your reading by narrating either orally or in writing. Some lesson plans will give you a suggestion of how best to narrate. You might want to set a timer to keep yourself on track, so you stop reading with enough time to narrate.

Connect

Read notes in your Study Bible or commentary. Look up places mentioned in the text in your Bible atlas. Add something to your Book of Centuries or Commonplace Book. Jot down additional reflections and thoughts in your Bible notebook or share with others.

Teacher Note

Read over the lesson plans to familiarize yourself with the content for accountability and interest. If doing the lessons together, use a picture, a map, or an engaging question to rouse students' interest before reading. You may also highlight one or two unfamiliar terms if needed. If in a classroom context, you may choose to leave larger doctrinal conversations for students to have with their parents at home.

Spiritual Formation: Grade 12

Term 1

WEEK 1

30m Spiritual Formation: Grade 12 - Lesson 1

Introduction

Materials: Becoming by Beholding

→ INTRO

How would you define Imagination? What role do you think it plays in your spiritual formation or growth? What do you think the title of the book means or is referring to? You may find it helpful to annotate while you read. Sometimes, for a first reading, it can be helpful to wait to read the footnotes until you finish reading the assigned pages. Then go back and read the footnote for sentences in the reading that interested you at a later time.

→ READ

Introduction

→ NARRATE

Capture the main points of the Introduction in writing. What is the plan of the book? Make a list of 5-7 things you behold regularly. Write one word for what each one might be forming in you.

→ DISCUSS (IN A GROUP, WITH YOUR TEACHER, OR IN WRITING ON YOUR OWN IF YOU HAVE TIME)

- Discuss the quote from page x, "Looking through the eyes of Christians from the past is like trying on spectacles that remedy our myopic fixation on the present and give us a more vivid view of the fullness of the gospel." How does this work? Why are we fixated on the present?

★ TEACHER NOTE

Add 15 minutes to these lessons to have a class or teacher/student discussion or for the student to write independently. Discussion questions are included in the lessons.

WEEK 2

30m Spiritual Formation: Grade 12 - Lesson 2

Who is Jesus Part 1

Materials: Becoming by Beholding

→ NARRATE

What images have shaped your view of Jesus?

→ DISCUSS (IN A GROUP, WITH YOUR TEACHER, OR IN WRITING ON YOUR OWN IF YOU HAVE MORE TIME)

- Discuss the quote from p.9, "In our efforts to see Jesus, it is all too easy for us to make him in our own image." OR the quote from p.16, "Icons, on the other hand, are not mirrors but windows."
