

Historic Dancing

Physical
Education

Historic Dancing

GRADE(S): 7-12

About the Course

Students will learn dances that were popular in the historical period being studied and perform them to some music of that period.

This topic is included in the following course(s): PE: Grades 7-12

PE: Grades 7-12

Lessons specifically created for Grades 7-12. We do recommend you prioritize the Historical Dance lessons as these are less likely to be obtained elsewhere and also give depth and richness to student's understanding of the time period. We recommend you make sure to

include some sort of physical activity as breaks throughout your school day. If you already have sports or similar activities as a regular part of your life rhythms, these lessons are optional.

Placement & Combining Tips

This course is suitable for interested students in Grades 5-6 if combining.

Historic Dancing

How To Teach

Overview

Mason emphasized that being physically fit is just as important as being mentally and spiritually fit. She used a combination of Swedish Drill (calisthenic exercises done to music or military-style commands), playground games, sports, dance, free play, and afternoon walks to make sure students had time for vigorous exercise every single day.

Introduce

Teach students the new song, dance, or sport. Tutorials are often provided.

Practice

Play your new game, practice your new dance, sing your new rhyme, etc.!

Term 1

WEEK 1 20m Historic Dancing - Lesson 1 *Sir Roger de Coverley*

PREP: Watch instructional video to familiarize yourself with dance. Print Sir Roger de Coverley Instructions PDF.

→ INTRO

Sir Roger de Coverley is an English Country Dance originally published in *The Dancing Master* in 1695. It was widely danced in the 1700s and remained popular through the 1800s. It is most famously found in Charles Dickens', *A Christmas Carol*, at Fezziwig's ball. It is a finishing dance that was commonly danced at the end of a ball where all attendees partnered up to close out the evening. It promoted good humor among the company and caused them all to leave having great satisfaction with one another. After the dance crossed the ocean and came over to America, it morphed into different variations and also became what we now know at the Virginia Reel. You will recognize the structure and formations as they have similarities.

→ VIEW

Watch the example of Sir Roger de Coverley. *Please note that there are many versions of Sir Roger de Coverley. Our example video differs from our instructional video.*

∞ Video Link: Sir Roger de Coverley

→ VIEW & PRACTICE

Using Instructional Video, form pairs, designate diagonals, and learn Part 1 (meet in middle, right hand turn, left hand turn) without music. Instructor will need to cue dancers and count in 6's.

It is often helpful for the students to remain with the same partner week to week while learning the piece. Once mastered, they can change partners.

WEEK 2 20m Historic Dancing - Lesson 2 *Sir Roger de Coverley*

→ REVIEW

Review head couple, diagonal 1, and diagonal 2. Review part 1 with diagonals (meet in middle, right hand turn, left hand).

→ LEARN

Learn the rest of Part 1 (2 hand turn and dos-a-dos).

→ PRACTICE

The entire Part 1 together without music.

∞ Video Link: Instructional Sir Roger de Coverley

WEEK 3 20m Historic Dancing - Lesson 3 *Sir Roger de Coverley*

→ REVIEW

Entire Part 1.

→ LEARN

Part 2 Weaving and Promenade/Cast off.

→ PRACTICE

Parts 1 and 2 together without music.

∞ Video Link: Instructional Sir Roger de Coverley

WEEK 4 20m Historic Dancing - Lesson 4 *Sir Roger de Coverley*

→ REVIEW

Parts 1 and 2.

→ PRACTICE

Parts 1 and 2 together without music.

∞ Video Link: Instructional Sir Roger de Coverley

WEEK 5 20m Historic Dancing - Lesson 5 *Sir Roger de Coverley*

→ REVIEW

Parts 1 and 2.

→ LISTEN

To Sir Roger de Coverley music. While listening, practice clapping together to a portion of the music and then counting together by 6's. Go back to the beginning and practice counting the 6 count introduction so students learn the intro begins right away.

Term 1

→ PRACTICE

Parts 1 and 2 together with music. Instructor must call dancers in and say, "Remember to honor your partner (press play) 1, 2, 3, 4, 5, 6, Go!" *It is helpful if instructor counts by 6's during dance ensuring students go in for 6 and out for 6.*

Term 2

WEEK 1 20m Historic Dancing - Lesson 13 *Capoeira*

→ PREP

Watch instructional video to familiarize yourself with warm up and dance.
Print or have a digital copy of Capoeira PDF while teaching Capoeira.

→ INTRO

Capoeira History: "Capoeira is a Brazilian art form that developed from combat games enslaved Africans brought to Brazil during the colonial period. It features dance, martial arts, music, songs, acrobatics, and, many would say, a particular philosophy. In performance practitioners form a circle ("roda") where eight of them play instruments creating a groove that supports songs and the physical action. Songs are in Portuguese and the instruments are all percussion, with the exception of the berimbau, three musical bows that lead the musical ensemble. Players take turns to come to the center of the circle in couples for the physical action. These physical encounters are known as jogos (games), neither a dance, nor a combat. During the performance, sometimes players seem to be dancing and other times to be fighting. This ambiguity is integral to capoeira and practitioners strive to balance the two. With a legacy linked to resistance and liberation from Portuguese colonizers and enslavers, many practitioners nowadays see capoeira as a symbol of cultural resistance and an instrument to educate and raise awareness about racial inequality. These views have been multiplied since the 1980s when capoeira became globalized." - Mestre Cobra Mansa (recognized Capoeira Angola master based in Brazil)

WEEK 6 20m Historic Dancing - Lesson 18 *Capoeira*

→ WARM UP & REVIEW

Complete Warm Up and review Ginga, Role, Au, Esquiva Lateral, Esquiva Baixa, Meia Lua de Compassa, Armada, Double Kick, and Queixada.
∞ Warm Up Music (begin at 08:34 - 17:03)

Capoeira is performed as an improvisational, non-choreographed duel between two people in a “roda” (circle) where they escape movement without touch or resistance. At the cue of the lead instrument (the berimbau), the two players begin by shaking hands or sharing a hug to show respect and affirm the “fight” is a friendly game. Movements are spontaneous without a fixed pattern and a movement dialogue is created. Though Capoeira is not performed like a set memorized dance, for educational purposes we have put together the steps we have learned into a dance. As you become familiar with some of the steps, you may pair up with classmates and slowly and carefully practice these moves spontaneously in pairs at your own timing. Remember, you are not trying to hurt your partner but create a dialogue of movement where one seeks to outmaneuver the other. Movements should be executed with care and control. If you want to explore Capoeira further, seek out in-person lessons in your area.

WEEK 1 20m Historic Dancing - Lesson 25

The Lancers Quadrille

→ PREP

Watch instructional video to familiarize yourself with dance. Print or have a digital copy of The Lancers Quadrille PDF while teaching dance.

→ INTRO

The Lancer's Quadrille is a set of 5 dances, La Dorset, La Lodoiska, La Native, Les Graces, and Les Lanciers, originally published in 1817 by John Duval. The quadrille was first derived from French military parades, where four mounted horsemen would make square formations. Further influence came from French Country Dances or Cotillion dances popular at the time. (Remember we learned a Cotillion dance last year, George Washington's Favourite!) The quadrille first appeared as the *quadrille de contredanse* in late 18th century France but really became popular once reaching English ballrooms and International high society in 1815. The quadrille is made up of 8 dancers, 4 couples facing into the center of the square. When you hear "square," did anyone think of square dancing? If so, you are correct! The quadrille is one of the primary historical predecessors of the American square dance. Today, we will begin learning Les Lanciers, the final movement of the Lancer's Quadrille.
