Grammar Concept: Partitive Articles

The partitive article (some, any)

In English, partitive articles are often omitted. For example, "We have pens and paper." can be said instead of "We have some pens and some paper." In French, the word /some/ must never be omitted and it is expressed by the word /of the/ (some bread = of the bread).

Masculine singular = du / de l' (before vowels and mute h)

Feminine singular = de la / de l' (before vowels and mute h)

Masculine and feminine singular = des
