About the Course

Students learn to love the sight and sound of words and appreciate history through daily poetry reading covering a wide variety of authors and poems from the 19th century.

Placement & Combining Tips

Students in Grades 5-8 can easily be combined for these lessons as all grades use nearly the same texts this year, although older grades read additional selections and have corresponding composition assignments.

Poetry: Grades 5-6

How To Teach

Introduce

Tell something about the poet or the kind of poem or fable to prepare students. Remember that poems are like paintings—they not only convey ideas, they create an experience with the sound of words, the way the words are arranged, and the emotions, thoughts, and images they evoke.

Read

Read the poem aloud in order to hear the sounds and meter. Have students read it aloud as well as it is helpful to hear poetry read by different voices. Try to read paying attention to the punctuation as well as the line breaks to get the sense of the poem.

Discuss

Allow students to share any thoughts or connections. What are your impressions of the poem? Talk about anything that stood out to you: the images, ideas, words, phrases, sounds, or even physical look of the poem. What kinds of things is the poem about?

Reread

Read (or have the student read) the poem again.

Connect

Students may choose to add poems to their Commonplace Book or mark them to copy later.
