

Canadian Government

About the Course

Students learn about the electoral process, the different aspects of parliamentary government, the Canadian legal system, and the concept of citizenship. They will spend the final term learning about the structure of our local and provincial authorities.

This topic is included in the following course(s): Citizenship: Grade 7 (Canada)

Planning & Prep

Permission to print for non-commercial use. See Alveary group use policy to use lessons in a group context.

LINKS: Click text or scan the QR code in the top corner of the lesson plan pages to view online resources associated with the lessons.

Responsibility for previewing all links rests with the teacher. All links were checked at the time of publication; however, websites change frequently and may contain objectionable content. Please report broken links by contacting us through our website.

Citizenship: Grade 7 (Canada)

- ☐ Make sure your student sets up a Citizenship Notebook. They will need a 3-ring binder, lined notebook paper, and 5 Tabbed Dividers. You can read more about how to set one up and suggestions for various sections in the document in Quick Links.
- ☐ As desired, plan for a read aloud time. Suggestions are provided in the Community Read Aloud Quick Link, but local favorites are highly recommended whenever possible.
- ☐ Make a Calendar of Events for Current Events lessons by drawing a calendar grid in a notebook (or print a blank calendar from the internet).

Canadian Government: Grade 7

How To Teach

Prepare

Plutarch: Teachers will find it helpful to preread the entire Life first, and then preread the day's passage before each lesson. Mark any passages that should be omitted due to content. (In Anne White's Plutarch Project books, the recommended source for this course, objectionable content has already been omitted.)

Current Events: Preview the news source for suitability.

Most other citizenship topics don't require additional prep.

Recap

Connect back to the previous lesson. (Optional for Current Events).

Introduce

For news sources, show students how to scan the headlines to get an overview first and then choose a story to read.

For Plutarch or other books: Use a picture, a map, or an engaging question to prepare students to receive the story as relevant. You may talk about one or two unfamiliar words that will be crucial to understanding. It is not necessary to cover all unfamiliar words.

Read

Read the selection assigned or the news story chosen. For rich, dense, or more challenging books such as *Ourselves* and *Plutarch*, it is a good idea to read them aloud. Have students keep an eye out for things to add to their Citizenship Notebook, *Book of Centuries*, and/or *Commonplace book*.

Narrate

Have the students narrate orally or in writing.

Discuss

Give students an opportunity to share their thoughts on the story and any connections made. For current events, look up where events occurred on a map and ask questions to help students discern the quality of the piece. (e.g., Are there sources cited? Is there an obvious bias? If so, what do other authors have to say on this subject? Are arguments supported by evidence? Is that evidence credible?) Consider reading an alternative perspective.

Citizenship Notebook

Have students record important ideas in their Citizenship Notebooks.
