Grammar Concept: Articles (Definite & Indefinite)

Spanish articles (definite and indefinite) must match the noun's gender (masculine/feminine) and number (singular/plural), unlike English.

Definite articles (el, la, los, las - "the") indicate specific, known items.

Indefinite articles (un, una, unos, unas - "a, an, some") refer to non-specific or unknown items.

→ EXAMPLES

| Definite Articles                    | Indefinite Articles                     |
|--------------------------------------|-----------------------------------------|
| <b>el árbol</b><br><i>the tree</i>   | <b>un perro</b><br><i>a dog</i>         |
| <b>la ropa</b><br><i>the clothes</i> | <b>unas hojas</b><br><i>some leaves</i> |
