About the Course

This course includes the following topic(s): Music Appreciation, Hymns & Spirituals, Folk Songs, Sol-fa: Musical Games, Afternoon Listening

About Music Appreciation

This course aims to foster a love of music. Students begin by learning about and listening to common orchestral instruments. Then they spend the rest of the course with a few famous pieces of music that serve as a fun introduction for students with no prior exposure to classical music.

About Hymns & Spirituals

Students sing hymns and spirituals to build their faith and appreciation of God's work across time. Hymns and spirituals are connected to the historical time period as appropriate.

About Folk Songs

Students sing folk songs connected to the time period (1800-1900).

About Sol-fa: Musical Games

Students play musical games to notice rhythm and melody.

Hymns & Spirituals

The Christian hymn and spiritual tradition is incredibly rich, and it is vanishing from many churches. In addition to bringing a much-needed moment of peace to your day, hymns can also introduce students to important theological ideas and church liturgy.

Folk Songs

The purpose of learning folk songs is twofold: to increase students' enjoyment of music and to situate folk music in its historical context in an effort to give students a richer understanding of the times and places that birthed the songs. A musical score is sometimes included for songs, but does not always exactly match the audio used, since folk songs are primarily oral songs and often take many different forms. Studying folk music helps students grow deep roots in our shared heritage and gives insight into historical events from the perspective of the people who were there.

Placement & Combining Tips

Music: Intro shares Folk Songs and Hymns & Spirituals with Grades 2-12. In Grades 2-12, all music lessons except sol-fa are shared between them, making them ideal lessons for multi-age groups.

How To Teach

Recap

- Connect each lesson to the previous one for that topic.
- For music appreciation study, a recap might look like a brief discussion about the name or sound of the piece or instrument you listened to previously.
- For hymns and folk songs, this might be an effort to hum the melody or recite the words of the song you're currently learning.

Introduce

Prepare to listen to the day's musical selection or activity by inviting students to consider an interesting musical or historical idea in the lesson, perhaps a unique word, rhythm, instrument, or piece of historical background (usually included in lesson plans).

Listen & Practice

- Listen to the day's musical selection or practice the activity.
- Music Appreciation lessons will usually have you listen to a piece of music for 3-8 minutes. If students have a difficult time listening for the duration of the lesson, stop the music at their limit.
- Movement is always a great way to encourage students to engage with the music. Sometimes the lessons will provide a suggestion, but students may make up their own using their whole bodies or creating finger plays. They may also draw, color, or act out a dance with stuffed animals, dolls, or other figures.
- Hymn, folk song, or musical games will sometimes have you listen to a part of the song and then practice echoing back the melody and/or words.

Discuss

Let students share any thoughts or connections they have about the lesson.

Term 1

WEEK 1 10m Sol-fa: Musical Games - Lesson 1

Moving and Music

→ LISTEN & PRACTICE

"Here We Go Round the Mulberry Bush." Follow the movement directions, ensuring that larger groups or students with spatial perception differences have enough room.

∞ Video Link: Here We Go Round the Mulberry Bush

∞ Audio Link: Here We Go Round the Mulberry Bush (Spotify)

→ SING

Now try singing the song and make up some new actions (possibilities: "this is the way we clap our hands," "sweep the floor," or "dance around").

• AFTERNOON LISTENING

Along with the lesson's songs, read stories and/or listen to songs about Winnie the Pooh.

WEEK 1 10m Hymns & Spirituals - Lesson 1

How Firm a Foundation

📄 **Materials:** Our Hymns, Our Heritage, Our Work Book, and/or Music Selections Booklet

→ INTRO

Our first hymn this year is called "How Firm a Foundation." What is a foundation, and what do you think this hymn will be about?

→ LISTEN & PRACTICE

Today, focus on getting familiar with the hymn. Read the words aloud and listen to the full song. Note that various recordings sometimes use the older "thee" rather than "you" and annotate your lyrics depending on the recording you use. Notice, talk about, and look up any unfamiliar words.

∞ **Music Links:** How Firm a Foundation (YouTube or Spotify)

→ READ, NARRATE, & DISCUSS

Learn the history of the song from Our Hymns, Our Heritage. "Text and Tune" p.136

• EXTRA HELPINGS

Look at early copies of Rippon's hymnal. What differences and similarities do you notice between it and hymnals today? If interested, read the original hymn (note the extra verses which are less common today) and the prefaces.

∞ **Book Links:** 1801 and 1828 versions

• AFTERNOON LISTENING

Use your preferred recording to listen to the hymn in the afternoons, evenings, or anytime! The more you spend time with it, the more the words will sink into your head and your heart.

• IMPORTANT DATE

"How Firm a Foundation" published in Rippon's hymnal (1787 AD).

WEEK 1 10m Folk Songs - Lesson 1

Steal Away

📄 **Materials:** Our Work or Music PDF, Like a Bird

→ INTRO

- The word "steal" usually means to take something that isn't yours. Can you think of any other meanings the word has?
- Tell what you think this sentence means: "Let's steal away now and tell them what we saw!"

→ READ & DISCUSS

Our first folk song for the year is called "Steal Away to Jesus." Its history is somewhat debated. Some think that Nat Turner was one of the first to sing it. Others tell the story of Wallace Willis and how the Reverend Alexander Reid heard Willis singing "Steal Away" (and Swing Low, Sweet Chariot) and told the Jubilee Singers, a famous singing group, about his songs in 1871. It's often hard to trace the history of songs that were orally composed and passed along to others!

★ TEACHER NOTE

Feel free to choose your own version of Steal Away to learn. Just know that the lyrics vary widely, so another audio or video is unlikely to match the words in your Our Work or Music books.

Steal Away (cont.)

→ RECAP

What do you remember about the history of "Steal Away"?

→ SING

Listen to the full song, paying attention to the lyrics. Then listen again and hum along.

∞ Music Links: Steal Away (YouTube or Spotify)

→ READ OR VIEW

Steal Away became an enormously popular song across the United States and the world because of the Fisk Jubilee Singers. Fisk University was founded in 1866, right after the Civil War ended with the Emancipation Proclamation. Students who had previously had limited access to higher education because of slavery and poverty flocked to its doors. But a few years later, the school was struggling financially, and many feared it would have to close. However, relief came from an unexpected source—one of the school's leaders organized a group of the school's talented singers and set up a series of concerts. Initially, they sang classical and popular songs familiar to their white audiences, but eventually the students began also singing the spirituals that they had sung during the years they were enslaved. These spirituals, like Steal Away and Swing Low, Sweet Chariot, skyrocketed the Fisk Jubilee Singers and the school to fame, and both still exist today! Read or watch more about the Jubilee Singers and listen to a recording of Swing Low, Sweet Chariot from 1909 with the remaining time!

WEEK 3 10m Hymns & Spirituals - Lesson 3

How Firm a Foundation (cont.)

Materials: Our Hymns, Our Heritage and/or Music PDF or Our Work Book

→ RECAP

Sing the tune of How Firm a Foundation on "hoo" and read the words aloud. Pay attention to the meaning and punctuation as you read.

→ SING & DISCUSS

Today, listen to a line of the song, then pause the video and echo it back, working your way line by line through the song. This will help you focus on each line of the song, not just the ones that come easily to you.

∞ Music Links: How Firm a Foundation Full Song (YouTube or Spotify)

- What images or lines in the song do you like best?

→ COPYWORK (GRADE 4+)

Copy a line of the melody into your music journal and (if you are taking sol-fa), see if you can label the notes with the sol-fa syllables. Hint: it is written in the key of G, and the first note is "So." Count up how many different sol-fa syllables you used in the song [there should be five]. This hymn is written using the pentatonic scale (often a major scale omitting fa and ti). Many other hymns (like Amazing Grace) are also written with only these five different sol-fa syllables. Explore Extra Helpings to explore a music theory rabbit hole on pentatonic music.

WEEK 4 10m Hymns & Spirituals - Lesson 4

How Firm a Foundation (cont.)

📄 Materials: Our Hymns, Our Heritage and/or Music PDF or Our Work Book

✂️ GATHER SUPPLIES: Paints or sketching materials

→ RECAP

Recite the hymn (as much as able).

→ SING

Try to sing the whole song with the accompaniment. Note the areas where you aren't as sure of the tune or the words.

∞ Video Link: How Firm a Foundation Tune

→ ILLUSTRATE

With remaining time (and feel free to continue on your own time if desired), sketch or paint an illustration for each verse in your music notebook or alongside your lyrics.

★ TEACHER TIP

If a student has a hard time coming up with an idea for an illustration, encourage them to focus on just one image from a verse to illustrate. There are no wrong illustrations as long as the student connects it to an aspect of the verse in their mind. The purpose is simply to help them inhabit and reflect on the verse in a different way.

WEEK 4 10m Folk Songs - Lesson 4

Steal Away (cont.)

📄 Materials: Our Work or Music PDF

WEEK 5 10m Hymns & Spirituals - Lesson 5

How Firm a Foundation (cont.)

📄 Materials: Our Hymns, Our Heritage and/or Music PDF or Our Work Book

→ RECAP

Sing hymn from memory (as able).

→ SING

Now that you know the words better, experiment with how you sing the song. Pick a few ideas to try or come up with your own. Think about how to emphasize the meaning of the words by the way you sing different verses. Are there other instruments you would use? Use the recording as needed.

- Sing some verses faster or slower.
- Sing some parts soft and some loud.
- Sing the song as a 2-part canon. To do this, divide into two groups (if with at least two people) or use the recording as your second person if solo. Group 1 should start singing, and then Group 2 begins at the beginning when Group 1 hits the "tion" in "foundation" in the first line (see #57 in Our Hymns, Our Heritage to see where Group 2 comes in). Because of the way the song is composed, the two groups will sound nice together even while singing different words!

∞ Audio Link: How Firm a Foundation Tune

• EXTRA HELPINGS

Experiment with more than two groups singing this hymn in a canon or round, and try starting at different places to see what sounds best. For instance, Group 2 could wait to start until Group 1 begins the second line of music in your hymnal. Or you could try having four different groups!

Term 1

WEEK 5 10m Folk Songs - Lesson 5

Wellerman

Materials: Our Work or Music PDF, World Atlas/Globe/Google Maps

PREP: For younger students, mark sections of the article on our next folk song's history to read or share with your students. Print off sheet music if desired.

- ∞ Article Link: Wellerman History
- ∞ PDF Link: Wellerman Sheet Music

→ RECAP

Sing Steal Away from memory.

→ INTRO

- Do you know any sea shanties? Our next folk song is a sea shanty that tells a story about a whale. While the story is made up, the Weller brothers were real men who founded a whaling base in 1831 on Aotearoa/New Zealand's South Island. A version of the shanty likely became popular a few decades later, before another author/editor developed the lyrics into their current form in the 1960s.

WEEK 1 10m Folk Songs - Lesson 13

National Anthem

📄 Materials: Our Work or Music PDF

PREP: You’ll be choosing a national anthem to learn this term. Feel free to pre-select or use this lesson to decide. Consider having students learn their own national anthem (if young and/or unfamiliar with it) or another (pick based on interest and/or degree of challenge, since some are obviously not in English).

→ INTRO

The 19th century was a period of turmoil. The last part of the 18th century and the first half of the 19th is sometimes called the “Age of Revolutions.” There was the American Revolution (1776), the French Revolution (1789), Haitian Revolution (1791) and then the Mexican War of Independence (1810s), uprisings across Latin American (one of the most famous was in Colombia with Simon Bolivar in 1810s), waves of revolutions across continental Europe (including Greece gaining independence from the Ottoman Empire in 1820s), revolts against British rule in India in the 1850s and against the shogunate in Japan in the 1860s (and that isn’t all of them!).

Amidst all this upheaval, a new genre of folk song rose up—the national anthem. These folk songs gave a sense of shared identity and purpose among disparate peoples. Some sound like hymns, others like military marches, work songs, or even operas. You’ll learn one anthem this term, but we’ll listen to several different ones so you can hear these differences and similarities!

★ TEACHER NOTE

Students will learn their own (or a different) national anthem this term. This brings many opportunities to talk about healthy (and unhealthy) ways to relate to one’s country.

Term 2

→ LISTEN & DISCUSS

- Scroll down the playlist to see multiple options or look up a different one if desired.

WEEK 2 10m Hymns & Spirituals - Lesson 14

Angels We Have Heard On High (cont.)

Materials: Our Hymns, Our Heritage and/or Our Work or Music PDF

→ RECAP

What is "Angels We Have Heard On High" about?

→ STUDY & SING

Today, we're focusing on learning the tune and words separately.

- Even if you can't read music, look at the music in your hymnal and notice that the shape of the top notes in the first line is the same as the second line. So once you learn the tune of the first line of music, you've learned the tune for the rest of the verse!
- Now find the first "Deo" you see in the sheet music. Even though it looks like a lot of notes, you'll see in your Our Work book or Music PDF and notice in the music that for the chorus you sing "Gloria in excelsis Deo" twice. And the only note that is different the second time is the very last note of the song.
- Now listen to the song and pay attention to those repeated lines (feel free to highlight them with different colors or make a note in your lyrics if desired)! Hum along with the recording as you pick up the tune.

∞ Music Links: Angels We Have Heard (YouTube or Spotify)

• MUSICAL NOTE

When you sing "Gloria" in the chorus, you are singing a melisma – many notes on one syllable. While this is common for songs featuring just one artist, it is uncommon for congregational songs. Can you think of any other melismas in songs you've sung? Melismas are sometimes called "runs" or "riffs" in pop music.

Term 2

If you feel confident in the words, you can sing along; echoing helps us pay attention to each line. ∞ Music Links: Angels We Have Heard (YouTube or Spotify)	● COMPOSITION (Grades 7+) Write your own retelling of the angels' and shepherds' meeting. You can write it as a poem or carol like "Angels We Have Heard on High," a play, a picture book, or a short story. Did you know that the Star Spangled Banner has been the US national anthem for less than a century? Although Francis Scott Key composed the song in 1814, it was not adopted as the national anthem until 1931. WEEK 4 10m Folk Songs - Lesson 16

National Anthem (cont.)

Materials: Our Work or Music PDF

→ RECAP

Sing as much of your National Anthem as you can from memory.

→ INTRO

In her book *Ourselves*, Charlotte Mason talks about good and bad ways we can show loyalty to our country. It is a good thing when our love for our country makes us seek to understand its history, laws, institutions, people, strengths, and weaknesses. We should want to love and care for the place we live and the other people who live around us! It is not good when we use our love for our country as an excuse to look down on other people or countries and ignore our own country's weaknesses. On the other hand, it is also unhelpful when we only focus on what is bad about our country. As you sing your national anthem and read the words, think about what kind of love or loyalty the song displays.

Many national anthems ask a god to protect their country (some mean the Christian God revealed in the Bible, and others refer to gods of other religions). For instance, the Canadian national anthem includes the prayer, "God, keep our land glorious and free," and the British anthem's name is "God Save the Queen (or King)." What do you think about asking God for protection and preservation of a nation or for wisdom for our leaders? If

WEEK 6 10m Folk Songs - Lesson 18

Bebi Notsa (Margaret's Lullaby)

Materials: Our Work or Music PDF

→ RECAP

Sing your National Anthem from memory (or look at the lyrics if needed). Think about the words and try to sing in a way that matches them!

→ INTRO

We're starting our next folk song today! It's important to remember that even while the big, loud anthems dealing with national events and identity were developing, mothers were still singing to their babies (sometimes even in the midst of those wars or other events). Our folk song for the rest of this term is sometimes called Margaret's Song because a girl named Margaret recorded it for the Library of Congress archives. It comes from around the 1830s.

→ STUDY & LISTEN

Read the translation of the song in your Our Work Book/Music PDF and then listen to the lullaby a few times.

∞ Video Link: Bebi Notsa

★ TEACHER NOTE

If your student(s) learned a national anthem not in English during the first part of this term, here is an alternate 19th-century lullaby option in English, if two folk songs not in English are too much of a stretch. There is a beautiful Celtic harp version in the folk song playlist, and a simpler version is linked here.

WEEK 7 10m Folk Songs - Lesson 19

Bebi Notsa (Margaret's Lullaby) (cont.)

 Materials: Our Work or Music PDF

→ RECAP

Warm up your voice by singing your National Anthem.

→ MAPWORK

Our term's lullaby probably originated about the same time as the Trail of Tears, when President Andrew Jackson signed the Indian Removal Act in 1830, forcing many Native Americans (the Creek, Seminole, Muscogee (Creek), Chickasaw, Choctaw, and Cherokee primarily) who lived in the American Southeast to relocate to what is now Oklahoma. (Remember Wallace Willis, who may have authored "Steal Away" from Term 1? He was one of those who had to relocate!). View the Trail of Tears map and read more as desired.

∞ Website Link: Trail of Tears Association

→ LISTEN & SING

Listen once to the song and follow along with the lyrics in your book. Then listen again and try humming along.

∞ Video Link: Bebi Notsa (Margaret's Lullaby)

- What do you think makes a good lullaby?

★ TEACHER NOTE

WEEK 8 10m Hymns & Spirituals - Lesson 20

O Worship the King (cont.)

Materials: Our Hymns, Our Heritage and/or Our Work or Music PDF, Bible

→ RECAP

Can you hum the melody of "O Worship the King"?

→ SING

Sing along with the hymn today.

∞ Music Links: O Worship the King (YouTube V1, V2, or Spotify)

→ READ & DISCUSS

- Sir Robert Grant was inspired by Psalm 104, or perhaps both Psalm 104 and a paraphrase of it from the 16th century by William Kethe (who wrote "All People That On Earth Do Dwell").
- Read Psalm 104:1-4 (or further if you like) and discuss the ways you see Grant working the ideas from the psalm into his poetry. Do you see echoes of any other Bible passages?

• EXTRA HELPINGS

The image of God riding upon the wind is common in both Scripture and in other hymns. If you learned "God Moves in a Mysterious Way" in Alveary hymn lessons last year, you might remember the line "he plants his footsteps in the sea and rides upon the storm." Look up Psalm 19, Isaiah 19, and Nahum 1 for other Bible passages with this imagery. Why do you think God is described this way?

Look over any tricky places and sing through the song. Then try again without any lyrics (and see if you can see it from memory). Sing The San Juan Pig to warm up your voice and refresh your memory.

→ INTRO & MAPWORK

- Our last folk song takes us from San Juan Island to Hawaii!
- Locate the Hawaiian islands in your atlas.
- This song of farewell between two lovers was written by the last monarch of Hawaii and is her most famous composition. The story goes that the queen and her attendants visited a friend on Oahu. Then, "as they started their return trip to Honolulu on horseback up the steep Pali trail, the queen turned to admire the view of Kaneohe Bay. She witnessed a particularly affectionate farewell between Colonel James Boyd of her party and a lovely young girl from Maunawili. As they rode up the steep cliff and into the swirling winds, she started to hum this melody, weaving words into a romantic song. At the top of the pali, a cloud hung over the mountain peak and slowly floated down Nu'uanu Valley. The queen continued to hum and completed her song as they rode the winding trail down the valley back to Honolulu."
