Grammar Concept: Adjectives & Agreements
In French, adjectives must agree with the nouns to which they refer. We look at the endings of the adjective to determine whether it is masculine or feminine, singular or plural. Adjectives that are masculine singular stay as they are. Adjectives that are feminine singular have an -e added to them unless there is already an e. Masculine and feminine adjectives when plural have an -s added to them.

➜ EXAMPLES

masculine adjectives	feminine adjectives
le grand garçon *the big boy*	**la grande fille** *the big girl*
les grands arbres *the big tress*	**les grandes chaises** *the big chairs*
le livre vert *the green book*	**la table verte** *the green table*
