Review Grammar Concept: Articles (Definite & Indefinite)

Spanish articles (definite and indefinite) must match the noun's gender (masculine/feminine) and number (singular/plural), unlike English.

Definite articles (el, la, los, las - "the") indicate specific, known items.

Indefinite articles (un, una, unos, unas - "a, an, some") refer to non-specific or unknown items.

Definite Articles	Indefinite Articles
el árbol <i>the tree</i>	un perro <i>a dog</i>
la ropa <i>the clothes</i>	unas hojas <i>some leaves</i>
las manos <i>the hands</i>	una naranja <i>an orange</i>

Practice Grammar Concept: Articles (Definite & Indefinite)

Copy four vocabulary words, from this week, with their correct article. If all words are definite articles change two of them into indefinite articles.
