Poetry Reading: Grades 9-12

How To Approach

Read

The lesson plans will guide you through what to read over the terms. Take a moment before reading to remember where you left off last time.

Narrate

The lesson plans will give you specific instructions or tell you to choose a way to narrate that helps you interact with the ideas.

Discuss

The lesson plans will guide you with questions or instructions to share your ideas or what you are reading with others.

Teacher Note

These lessons are written directly to students, but to assist them throughout the year, please read through this section and the lesson plans so you are familiar with the instructions and flow of the lessons. Accountability components are occasionally added to facilitate teacher/student discussion and growing independence.

It is also valuable for those in a classroom setting to have a mix of lessons that students complete themselves silently and others read aloud and narrate together. Literature lessons lend themselves well to a larger discussion time at the end of the lesson where student can share their ideas.
