

# Mathematics

Algebra/ Trig.  
Geometry

## About the Course

This course includes the following topic(s): Algebra/ Trig.: Grade 10, Geometry: Grade 10

### Mathematics: Grade 10

Students should look ahead to college math requirements at schools they may want to attend or majors they may plan to pursue and plan accordingly. It is important to work at a student's pace. Alveary pacing has students study geometry and algebra concurrently in 9th and 10th grade and then finish Algebra II/Trig during 11th grade. Students can then start precalculus in 11th grade and finish 12th grade with precalculus or calculus.

## Scheduling

| GRADE | SCHEDULE INFO.        | BOOKS |
|-------|-----------------------|-------|
| 10    | Mathematics: Grade 10 |       |

### Sample Weekly View

| Day 1                          | Day 2            | Day 3                          | Day 4            | Day 5                          |
|--------------------------------|------------------|--------------------------------|------------------|--------------------------------|
| <b>Mathematics: Grade 10</b>   |                  |                                |                  |                                |
| Algebra 2/Trigonometry: Part 1 | Geometry: Part 2 | Algebra 2/Trigonometry: Part 1 | Geometry: Part 2 | Algebra 2/Trigonometry: Part 1 |

## Planning & Prep

Permission to print for non-commercial use. See Alveary group use policy to use lessons in a group context.

**LINKS:** Click text or scan the QR code in the top corner of the lesson plan pages to view online resources associated with the lessons.

Responsibility for previewing all links rests with the teacher. All links were checked at the time of publication; however, websites change frequently and may contain objectionable content. Please report broken links by contacting us through our website.

### Algebra 2/Trigonometry: Part 1

☐ Work through your Algebra 2/Trig book 3 days/week at your own pace, aiming to finish 20-30%. Drop down to 1 day/week and up Geometry to 4 days/week if the content seems unduly difficult.

### Geometry: Part 2

☐ Work through your Geometry book 2 days/week at your own pace, aiming to finish by the end of the year. You should have 50-60% left if you began in 9th grade.

## Books & Resources

For book rationales and purchase options, click the Book List link or scan the QR code below.  
(No Books Assigned)

## Supplies

For supply list details and basic supplies helpful to have on hand, click the links or scan the QR code below.
