

New Testament

About the Course

Each year in High School, students read one of the gospels along with several other New Testament epistles. For 2026-2027, they read the gospel of Luke along with Galatians, Philippians, and Colossians. Using their study Bibles and other resources, students encounter scripture and seek to understand the cultural, historical, and theological context of their readings in order to more deeply appreciate the richness of the Bible and the humility needed in order to live out God's word today.

This topic is included in the following course(s): Bible: Grade 9

Placement & Combining Tips

Appropriate for any HS grades. Students new to reading the Bible for themselves or unused to commentaries or study notes may find the lessons in Grades 7-8 a gentler introduction to these study practices.

How To Approach

Recap

Take a moment to recall what you read previously in the same book or topic.

Read

Read the passage assigned or read for the number of minutes allocated. If a book is challenging for you, try stopping to narrate to yourself silently now and then to make sure you are tracking. Or you could listen to an audiobook version of the text and read along. You may also want to read aloud to yourself. If a book is an easy read, enjoy the ride! Keep an eye out for quotes to put in your Commonplace Book or events or characters to put down in your Book of Centuries.

Narrate

Process and integrate your reading by narrating either orally or in writing. Some lesson plans will give you a suggestion of how best to narrate. You might want to set a timer to keep yourself on track, so you stop reading with enough time to narrate.

Connect

Read notes in your Study Bible or commentary. Look up places mentioned in the text in your Bible atlas. Add something to your Book of Centuries or Commonplace Book. Jot down additional reflections and thoughts in your Bible notebook or share with others.

Teacher Note

Read over the lesson plans to familiarize yourself with the content for accountability and interest. If doing the lessons together, use a picture, a map, or an engaging question to rouse students' interest before reading. You may also highlight one or two unfamiliar terms if needed. If in a classroom context, you may choose to leave larger doctrinal conversations for students to have with their parents at home.

Term 1

WEEK 1 30m New Testament: Grade 9 - Lesson 1

 Materials: Cultural Backgrounds Study Bible, Introducing the New Testament, Luke for Everyone

→ INTRO

Each year in HS, we will be reading one of the Gospels along with our study of the rest of the New Testament books. This year, we will be reading Luke along with Galatians, Philippians, and Colossians. It is helpful to be continually reminded of who Jesus is and how he interacted with people. The Gospel accounts were designed to be read many times. There will be insights gained that you would only pick up after multiple readings and by paying attention to repeated words and themes.

We will make use of the Cultural Backgrounds Study Bible notes and maps, Introducing the New Testament (selections), a Luke commentary (selections), and some Bible Project videos to help us understand what Luke and Paul are saying to their audiences. Then we can think about what new thoughts about God we gain in the process. You do not need to read all the study notes for all the verses. Pick and choose based on which verses you have questions about. Use a digital or physical notebook to record your thoughts as you work your way through the readings.

→ VIEW & NARRATE

Today, we will set the stage for reading Luke by gaining some context. Narrate silently in your head or by talking to yourself to go over the main points. Or jot them down in your journal.

∞ Video Link: How to Read the New Testament

→ READ & NARRATE

Introducing the New Testament

Ch.1 p.17-24, Ch.2 p.39-50 (top of page)

Make a list with a short description of the people in Palestine at the time of Jesus.

→ MAP WORK

When places are named in the text, refer to a map in the Study Bible or in the Introducing the NT book. Finding the places on the map is very helpful for seeing the stories in the context of the land. Sketching your own maps of journeys or regions can be helpful too.

★ NOTE

These two journal options with different designs contain only the Bible book text and space to write.

WEEK 2 30m New Testament: Grade 9 - Lesson 2

 Materials: Cultural Backgrounds Study Bible, Luke for Everyone

→ READ

Luke 1

→ NARRATE & RESPOND

Talk over to yourself what you just read. Then, respond to what you read by putting down a few of your thoughts or questions. Just as in nature study, when we ask questions such as, "What do I notice? What do I wonder? What does this remind me of?" we can ask the same questions about what we read.

→ READ

Pick one of the Luke for Everyone readings discussing verses from Luke 1. Jot down any new insights or thoughts.

★ NOTE

Instead of reading Luke for some of the lessons, consider watching and listening to Luke via the LUMO Project, which only uses the actual text of Luke but has people acting while it is read. There are many versions and many languages available. You might consider this resource for your modern language studies, too.
