

Sloyd

Level 6

About the Course

Complete assigned models, focusing on craftsmanship. Students work with cardboard to create 3-dimensional geometric shapes.

Placement & Combining Tips

Grade 7 students who are new to Sloyd should begin with Sloyd: Level 1 and then continue courses in sequence.

Prerequisite: Sloyd: Level 5

Scheduling

GRADE	SCHEDULE INFO.	BOOKS

Planning & Prep

Permission to print for non-commercial use. See Alveary group use policy to use lessons in a group context.

LINKS: Click text or scan the QR code in the top corner of the lesson plan pages to view online resources associated with the lessons.

Responsibility for previewing all links rests with the teacher. All links were checked at the time of publication; however, websites change frequently and may contain objectionable content. Please report broken links by contacting us through our website.

Sloyd: Level 6

☐ View the "Sloyd Introduction Video" in the Quick Links below for an overview of materials and resources used in Sloyd.

☐ Allow time for loading and viewing videos if available. We recommend teachers preview tutorials and work a model before teaching it.

☐ Purchase supplies and introduce students to their Sloyd tools (discuss their care and safe use). Organize them so they are easily accessible.

Books & Resources

Sloyd: Level 6

How To Teach

Overview

Lessons will go much more smoothly if you prepare thoroughly. As students gain experience, develop fine motor skills, and practice habits of precision they will need less support.

Prepare

Watch video tutorials or make the model yourself. Gather supplies and materials needed.

Recap

Connect back to previous lesson and skills learned.

Read

Read the instructions one step at a time. Model each step and make sure students complete it with precision before moving to the next step.

Practice

When a project is complete, students may repeat it as many times as they wish to give as gifts or create original patterns similar to the project.

Term 1

WEEK 1

45m Sloyd: Level 6 - Lesson 1

Cardboard Work Model 1 Pair of Steps

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.

∞ Image & Video Link: Pair of Steps

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.

Cardboard Work: 3-D Geometric Shapes "No.10: Pair of Steps" p.53-54

Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 2

45m Sloyd: Level 6 - Lesson 2

Cardboard Work Model 1 Pair of Steps

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.

∞ Image & Video Link: Pair of Steps

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.

Cardboard Work: 3-D Geometric Shapes "No.10: Pair of Steps" p.53-54

Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 3

45m Sloyd: Level 6 - Lesson 3

Cardboard Work Model 1 Pair of Steps

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.

∞ Image & Video Link: Pair of Steps

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.

Cardboard Work: 3-D Geometric Shapes "No.10: Pair of Steps" p.53-54

Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 4

45m Sloyd: Level 6 - Lesson 4

Cardboard Work Model 1 Pair of Steps

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.

∞ Image & Video Link: Pair of Steps

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.

Cardboard Work: 3-D Geometric Shapes "No.10: Pair of Steps" p.53-54

Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 5

45m Sloyd: Level 6 - Lesson 5

Cardboard Work Model 2 Pentagonal Prism

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.

∞ Image & Video Link: Pentagonal Prism

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.

Sloyd: Level 6

[Click THIS text or scan the QR code for links.](#)

Term 1

Cardboard Work: 3-D Geometric Shapes "No.11: Pentagonal Prism" p.55-57
Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 6

45m Sloyd: Level 6 - Lesson 6

Cardboard Work Model 2 Pentagonal Prism

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.
∞ Image & Video Link: Pentagonal Prism

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.
Cardboard Work: 3-D Geometric Shapes "No.11: Pentagonal Prism" p.55-57
Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 7

45m Sloyd: Level 6 - Lesson 7

Cardboard Work Model 2 Pentagonal Prism

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.
∞ Image & Video Link: Pentagonal Prism

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.
Cardboard Work: 3-D Geometric Shapes "No.11: Pentagonal Prism" p.55-57
Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 8

45m Sloyd: Level 6 - Lesson 8

Cardboard Work Model 2 Pentagonal Prism

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.
∞ Image & Video Link: Pentagonal Prism

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.
Cardboard Work: 3-D Geometric Shapes "No.11: Pentagonal Prism" p.55-57
Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 9

45m Sloyd: Level 6 - Lesson 9

Cardboard Work Model 3 Pentagonal Pyramid

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.
∞ Image & Video Link: Pentagonal Pyramid

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.
Cardboard Work: 3-D Geometric Shapes "No.12: Pentagonal Pyramid" p.58-59
Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 10

45m Sloyd: Level 6 - Lesson 10

Cardboard Work Model 3 Pentagonal Pyramid

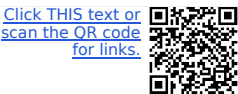

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.
∞ Image & Video Link: Pentagonal Pyramid

→ PRACTICE

Create another one out of different materials, scaling your work either up or down by changing the measurements.
WEEK 12	45m Sloyd: Level 6 - Lesson 12 <i>Exam Week</i> → EXAMS Answer question(s) related to course. Questions will come from: Sloyd by Schwartz

Sloyd: Level 6

Term 2

WEEK 1

45m Sloyd: Level 6 - Lesson 13

Cardboard Work Model 4 Crystal Form

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.

∞ Image & Video Link: Crystal Form

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.

Cardboard Work: 3-D Geometric Shapes "No.13: Crystal Form" p.60-61

Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 2

45m Sloyd: Level 6 - Lesson 14

Cardboard Work Model 4 Crystal Form

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.

∞ Image & Video Link: Crystal Form

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.

Cardboard Work: 3-D Geometric Shapes "No.13: Crystal Form" p.60-61

Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 3

45m Sloyd: Level 6 - Lesson 15

Cardboard Work Model 4 Crystal Form

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.

∞ Image & Video Link: Crystal Form

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.

Cardboard Work: 3-D Geometric Shapes "No.13: Crystal Form" p.60-61

Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 4

45m Sloyd: Level 6 - Lesson 16

Cardboard Work Model 4 Crystal Form

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.

∞ Image & Video Link: Crystal Form

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.

Cardboard Work: 3-D Geometric Shapes "No.13: Crystal Form" p.60-61

Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 5

45m Sloyd: Level 6 - Lesson 17

Cardboard Work Model 5 Octagonal Prism

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.

∞ Image & Video Link: Octagonal Prism

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.

Term 2

Cardboard Work: 3-D Geometric Shapes "No.14: Octagonal Prism" p.62-64
Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 6

45m Sloyd: Level 6 - Lesson 18

Cardboard Work Model 5 Octagonal Prism

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.
∞ Image & Video Link: Octagonal Prism

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.
Cardboard Work: 3-D Geometric Shapes "No.14: Octagonal Prism" p.62-64
Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 7

45m Sloyd: Level 6 - Lesson 19

Cardboard Work Model 5 Octagonal Prism

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.
∞ Image & Video Link: Octagonal Prism

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.
Cardboard Work: 3-D Geometric Shapes "No.14: Octagonal Prism" p.62-64
Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 8

45m Sloyd: Level 6 - Lesson 20

Cardboard Work Model 6 Rhombohedron

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.
∞ Image & Video Link: Rhombohedron

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.
Cardboard Work: 3-D Geometric Shapes "No.15: Rhombohedron" p.65-67
Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 9

45m Sloyd: Level 6 - Lesson 21

Cardboard Work Model 6 Rhombohedron

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW

Photo of model and tutorial. Visualize steps to work the model.
∞ Image & Video Link: Rhombohedron

→ PRACTICE

Work on the model. Read and demonstrate instructions one step at a time.
Cardboard Work: 3-D Geometric Shapes "No.15: Rhombohedron" p.65-67
Find a creative way to use your finished model. Create another one out of different materials, scaling your work either up or down by changing the measurements.

WEEK 10

45m Sloyd: Level 6 - Lesson 22

Cardboard Work Model 6 Rhombohedron

Materials: Sloyd by Schwartz, chipboard, ruler, pencil, scissors, tape, awl, bone (optional), X-Acto knife, compass

→ VIEW
