

Lower French

Songs, Rhymes, & Conversations

About the Course

Alveary Modern Language Lessons are designed to mirror the way children acquire their first language, using methods like gestures, picture recognition, songs, repeated phrases, and storytelling to create meaningful connections and context. These foundational approaches are seamlessly adapted to teach school-age children a second language.

The lessons are designed to be open-and-go with optional video/audio file support. They do not require any background in the target language for the parent/teacher or students. They only take about 15-20 min a day and can be easily adjusted to meet a variety of grade ranges from 1st to 6th grades.

Placement & Combining Tips

Three lessons each week are shared between Grades 1-6, but students in Grades 4-6 add two additional grammar lessons. This course is on a six-year rotation of lessons, so it is suitable for students who took Lower French last year or students just starting their studies.

How To Teach

Introduction to Songs, Rhymes, & Conversations

Students will complete 1 Songs, Rhymes, & Conversations lesson per week. In these lessons, students are exposed to cultural songs and rhymes and also given the opportunity to practice singing or saying the language out loud in a fun and engaging way. Students can often feel self-conscious or silly when trying to speak a new language, and by using songs & rhymes, we can help them overcome that hurdle. This lesson does not have a video. Instead, it gives teachers step-by-step instructions on how to lead the lesson and includes suggested accompanying audio to follow as you learn the song or rhyme. Students will also begin to learn a few conversational phrases they can use in the target language during these lessons. There are accompanying audio and conversation cards to aid in this part of the lesson.

Flow of a Lesson

Below is what you can expect for the general flow of a lesson:

- Read/watch any preparatory material and look over any student notebook pages to familiarize yourself.
- Choose a few sentences, words, or vocabulary cards to review at the beginning of each lesson.
- Open to the current song/rhyme.
- Press play on the video/audio link provided in the QR link page.
- Practice reciting/singing the passage.
- Listen to the audio introduction of new conversation phrases (pause as needed).
- Practice conversation recognition and building.

Student Notebook

All of the songs have been provided at the front of the student notebook in order to aid in your students' ability to find them easily. For the conversational part of the lessons, it is suggested that students work in pairs. If that is not a possibility, then we recommend students use stuffed animals or puppets to practice this piece. There are no images for the conversation cards in the student notebooks. The conversation cards are for the teacher's benefit and for fun with building conversations as students progress in their speaking abilities.
