About the Course

This course includes the following topic(s): Old Testament: Grades 7-12, New Testament: Grade 9, Church History: Grades 7-9, Bible History: Grade 9

About Old Testament: Grades 7-12

From 7th grade through high school, students read through the OT chronologically. For 2026-2027 they read 2 Samuel-I Kings, 1 & 2 Chronicles, Psalms and Proverbs (selections) and Ecclesiastes. 12th grade will also read Song of Solomon. With the aid of study Bible notes and selections from study helps such as the Old Testament Today or The Bible Project, this course allows students to meditate on Scripture and engage with the historical and cultural context of the Bible when it was written, as well as the way the OT continues to be relevant as God's word today.

About Church History: Grades 7-9

Students read about important events and influential people from Church History using biographies and narrative-driven overviews of the time period. In this course, students delve into the 19th century and learn the stories of a variety of Christians.

About New Testament: Grade 9

Each year in High School, students read one of the gospels along with several other New Testament epistles. For 2026-2027, they read the gospel of Luke along with Galatians, Philippians, and Colossians. Using their study Bibles and other resources, students encounter scripture and seek to understand the cultural, historical, and theological context of their readings in order to more deeply appreciate the richness of the Bible and the humility needed in order to live out God's word today.

About Bible History: Grade 9

This course uses the book God's Big Picture to give students a zoomed-out view of Bible history and show the outline of God's Kingdom plan from beginning to end.

Placement & Combining Tips

Old Testament: Grades 7-12

Students in Grades 7-12 read the same passages of Scripture, but the lesson plans include a variety of discussion questions and extra study helps differentiated by grade to help students engage at various depths. This makes these lessons flexible for individual students and/or a multi-age context. Younger students in Grades 5-6 can be combined with older students if they have a good general understanding of the narratives and overarching story of the OT.

Church History: Grades 7-9

Can be combined with Grades 5-6.

New Testament: Grade 9

Appropriate for any HS grades. Students new to reading the Bible for themselves or unused to commentaries or study notes may find the lessons in Grades 7-8 a gentler introduction to these study practices.

Bible History: Grade 9

Appropriate for any HS grades.

Bible: Grade 9

How To Approach

Recap

Take a moment to recall what you read previously in the same book or topic.

Read

Read the passage assigned or read for the number of minutes allocated. If a book is challenging for you, try stopping to narrate to yourself silently now and then to make sure you are tracking. Or you could listen to an audiobook version of the text and read along. You may also want to read aloud to yourself. If a book is an easy read, enjoy the ride! Keep an eye out for quotes to put in your Commonplace Book or events or characters to put down in your Book of Centuries.

Narrate

Process and integrate your reading by narrating either orally or in writing. Some lesson plans will give you a suggestion of how best to narrate. You might want to set a timer to keep yourself on track, so you stop reading with enough time to narrate.

Connect

Read notes in your Study Bible or commentary. Look up places mentioned in the text in your Bible atlas. Add something to your Book of Centuries or Commonplace Book. Jot down additional reflections and thoughts in your Bible notebook or share with others.

Teacher Note

Read over the lesson plans to familiarize yourself with the content for accountability and interest. If doing the lessons together, use a picture, a map, or an engaging question to rouse students' interest before reading. You may also highlight one or two unfamiliar terms if needed. If in a classroom context, you may choose to leave larger doctrinal conversations for students to have with their parents at home.

Term 1

WEEK 1 30m Old Testament: Grades 7-12 - Lesson 1

Materials: Bible, Old Testament Today, notebook

→ INTRO (FOR GRADES 7-12)

This year you will be reading 2 Samuel, 1 Kings, 1 & 2 Chronicles, selections of Psalms, Proverbs, and Ecclesiastes. You will be reading the passages chronologically, or in the order of the events. "The goal of studying the Bible chronologically is not to replace the time-honored canonical arrangement, but instead to honor time as a setting in which the biblical record appeared. Readers who study the Bible this way will return to their traditional Bibles better equipped to read them. Acquiring a sense of the flow of the Bible's story will put flesh and blood on its message" (from Chronological Guide to the Bible).

1. Your ESV Concise Study Bible (Grades 7-8) or Cultural Backgrounds Study Bible (Grades 9-12) will have maps, articles, and notes to help you along the way. If you have a question about a specific verse, see if there is a note about that verse below the text.
2. Use your Student Bible Atlas or atlas in your Bible to locate places as needed.
3. We will also utilize Old Testament Today and the Bible Project website as a handbook for helping us understand the background information we need to be informed readers. Look up the chapter of the Bible book you are reading in OT Today for any interesting sections you have not read before. Similarly, do a search at the Bible Project Website for the book you are reading and see what interesting articles or videos they have available when you have time in a lesson.

→ VIEW

1. Throughout the year, you will watch short videos of Dr. John Walton, the co-author of OT Today. The videos were created specifically for Alveary students. We hope they help you understand the Bible better.
2. You will be reading selections from the Psalms throughout the year. Watch this video to learn more about the Psalms.

∞ Video Link: Overview of the Psalms

→ PRINT

You may want to print out the summary of the book to reference as you read selections from the Psalms.

∞ Image Link: Psalms Overview Poster

→ READ, NARRATE & RESPOND

1. OT Today p.367-370 "To understand what" - "individual and nation."
2. Psalms 79-82

The psalms are difficult to tie to a specific historical context. They are the worship songs of Israel and are intended to apply to the needs of all worshippers across time. Some psalms do have historical superscriptions that make it possible to associate them with specific events, but these make up only about 10% of all the psalms. Another criterion is to place the psalms ascribed to David (or Solomon or Moses) during the life of that person. A second criterion is to place Psalms according to their type (from the Chronological Guide to the Bible).

WEEK 1 30m New Testament: Grade 9 - Lesson 1

Materials: Cultural Backgrounds Study Bible, Introducing the New Testament, Luke for Everyone, notebook

→ INTRO

Each year in HS, we will be reading one of the Gospels along with our study of the rest of the New Testament books. This year, we will be

reading Luke along with Galatians, Philippians, and Colossians. It is helpful to be continually reminded of who Jesus is and how he interacted with people. The Gospel accounts were designed to be read many times. There will be insights gained that you would only pick up after multiple readings and by paying attention to repeated words and themes.

We will make use of the Cultural Backgrounds Study Bible notes and maps, Introducing the New Testament (selections), a Luke commentary (selections), and some Bible Project videos to help us understand what Luke and Paul are saying to their audiences. Then we can think about what new thoughts about God we gain in the process. You do not need to read all the study notes for all the verses. Pick and choose based on which verses you have questions about. Use a digital or physical notebook to record your thoughts as you work your way through the readings.

→ VIEW & NARRATE

Today and over the next few weeks, we will set the stage for reading Luke and the Epistles by gaining some context. Narrate silently in your head or by talking to yourself to go over the main points. Write down a few of them in your journal.

→ MAP WORK

When places are named in the text, refer to a map in the Study Bible or in the Introducing the NT book. Finding the places on the map is very helpful for seeing the stories in the context of the land. Sketching your own maps of journeys or regions can be helpful too.

William Wilberforce

Materials: Renewal: The Church that Expands Outward

→ INTRO

1. This year, we are learning about people who lived during the 19th century (1800-1900). We will read how these Christians lived out Jesus' commands. When Jesus was asked what the greatest command was, he replied, "You shall love the Lord your God with all your heart and with all

your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself." (Matthew 22:37-39)

2. Today, you will read about an Englishman named William Wilberforce (1759-1833) who was a member of Parliament, the lawmaking group in the government of Great Britain. Parliament consisted of two houses: the House of Lords and the House of Commons. The English had been part of the slave trade since 1662. In 1770, out of a total of one hundred thousand slaves a year from West Africa, British ships transported more than half. English considered the slave trade inseparably linked with the commerce and national security of Great Britain.

★ STUDENT/TEACHER NOTE

Instead of reading Luke for some of the lessons, consider watching and listening to Luke via the LUMO Project, which only uses the actual text of Luke but has people acting while it is read. There are many versions and many languages available. You might consider this resource for your modern language studies, too. However, be sure to ask yourself, "What did the film add visually that the Gospel text itself did not explicitly say?" as any visualization project requires interpretive decisions to be made.
