

Old Testament

About the Course

From 7th grade through high school, students read through the OT chronologically. For 2026-2027 they read 2 Samuel-I Kings, 1 & 2 Chronicles, Psalms and Proverbs (selections) and Ecclesiastes. 12th grade will also read Song of Solomon. With the aid of study Bible notes and selections from study helps such as the Old Testament Today or The Bible Project, this course allows students to meditate on Scripture and engage with the historical and cultural context of the Bible when it was written, as well as the way the OT continues to be relevant as God's word today.

This topic is included in the following course(s): Bible: Grades 7-8, Bible: Grade 9, Bible: Grades 10-11, Bible: Grade 12

Placement & Combining Tips

Students in Grades 7-12 read the same passages of Scripture, but the lesson plans include a variety of discussion questions and extra study helps differentiated by grade to help students engage at various depths. This makes these lessons flexible for individual students and/or a multi-age context. Younger students in Grades 5-6 can be combined with older students if they have a good general understanding of the narratives and overarching story of the OT.

Term 1

WEEK 1 30m Old Testament: Grades 7-12 - Lesson 1

Materials: Bible, Old Testament Today, notebook

→ INTRO (FOR GRADES 7-12)

This year you will be reading 2 Samuel, 1 Kings, 1 & 2 Chronicles, selections of Psalms, Proverbs, and Ecclesiastes. You will be reading the passages chronologically, or in the order of the events. "The goal of studying the Bible chronologically is not to replace the time-honored canonical arrangement, but instead to honor time as a setting in which the biblical record appeared. Readers who study the Bible this way will return to their traditional Bibles better equipped to read them. Acquiring a sense of the flow of the Bible's story will put flesh and blood on its message" (from Chronological Guide to the Bible).

1. Your ESV Concise Study Bible (Grades 7-8) or Cultural Backgrounds Study Bible (Grades 9-12) will have maps, articles, and notes to help you along the way. If you have a question about a specific verse, see if there is a note about that verse below the text.
2. Use your Student Bible Atlas or atlas in your Bible to locate places as needed.
3. We will also utilize Old Testament Today and the Bible Project website as a handbook for helping us understand the background information we need to be informed readers. Look up the chapter of the Bible book you are reading in OT Today for any interesting sections you have not read before. Similarly, do a search at the Bible Project Website for the book you are reading and see what interesting articles or videos they have available when you have time in a lesson.

→ VIEW

1. Throughout the year, you will watch short videos of Dr. John Walton, the co-author of OT Today. The videos were created specifically for Alveary students. We hope they help you understand the Bible better.
 2. You will be reading selections from the Psalms throughout the year. Watch this video to learn more about the Psalms.
- ∞ Video Link: Overview of the Psalms

→ PRINT

You may want to print out the summary of the book to reference as you read selections from the Psalms.

∞ Image Link: Psalms Overview Poster

→ READ, NARRATE & RESPOND

1. OT Today p.367-370 "To understand what" - "individual and nation."
2. Psalms 79-82

The psalms are difficult to tie to a specific historical context. They are the worship songs of Israel and are intended to apply to the needs of all worshippers across time. Some psalms do have historical superscriptions that make it possible to associate them with specific events, but these make up only about 10% of all the psalms. Another criterion is to place the psalms ascribed to David (or Solomon or Moses) during the life of that person. A second criterion is to place Psalms according to their type (from the Chronological Guide to the Bible).
